DESIGN YOUR STEP
CONFIDENCE IS SEXY

Uniquely a size 34 (UK 1),
Brigitte Kobi struggled to
find shoes in her size of a
satisfactory quality that
also offered the indulgent
comfort she desired.

In 2019 she founded
Stilettissimo, catering to
those who demand
glamour, indulgent
comfort, and functionality
for all occasions.

**LUXURY
IS IN OUR
BLOOD.**

Stilettissimo

WHAT IS LUXURY?

**LUXURY IS ABOVE ALL
EMOTION.**

It must make you feel
grand and lavished.
However, true luxury is
based on facts, which we
will explain here.

**IF YOU ARE CHEAP,
NOTHING HELPS.**

STYLE

**BE AWARE OF
THE FINE LINE
BETWEEN SEXY
AND CHEAP**

Style is more than just a matter of taste or fashion. True style is something that lasts, that expresses who you are before you even say a word. It is embedded into the design, is timeless, and makes a statement.

Great style is in the details and includes what you cannot see such as comfort and functionality.

**WE NEVER COMPROMISE
ON STYLE FOR COMFORT
OR FUNCTION.**

They are all built in. We design every model with great attention to detail to make sure you get to wear the best shoes- EVER.

A close-up photograph of a woman's legs from the knees down, wearing elegant white high-heeled pumps with thin stiletto heels and matching white ankle straps. She is standing on a grey wooden deck. In the background, a swimming pool with blue water is visible, and the scene is lit with warm, golden-hour light. The text "DESIGN YOUR STEP ACCORDING TO YOUR PLANS." is overlaid in white, bold, sans-serif capital letters in the center of the image.

FUNCTIONALITY

**DIFFERENT
TYPES OF SHOES
HAVE DIFFERENT
FUNCTIONS**

STILETTISSIMO

A high heel is not made to
climb mountains.

What seems so plain, is
frequently ignored.

Stilettos and heels are made
to walk on streets, to go
shopping or to the office.

They are perfect for
evenings. Heels make you
walk more elegantly and to
stand high.

**YOUR SHOES WILL
MAKE OR BREAK YOUR
OUTFIT.**

She is smiling and carrying a young man on her shoulders. The man is wearing a dark t-shirt and jeans, also smiling. The background is a soft, out-of-focus landscape.

LUXURY MUST BE
COMFORTABLE,
OTHERWISE IT'S
NOT LUXURY.

COMFORT

**4 RULES TO
MAKE HEELS
COMFORTABLE**

STILETTISSIMO

Heels are uncomfortable?

If you buy the wrong shoes, your feet will suffer and so will your day or evening. The right shoes ooze stylish luxury, make you look good, and you can wear them all day feeling comfortable.

**STILETTISSIMO SHOES
HAVE ALL THE FEATURES
THAT ASSURE PERFECT
COMFORT.**

Keep reading.

1 PADDING

**ALL STILETTISSIMO
SHOES ARE PADDED.**

This prevents your feet
from burning and makes
you walk with ease.

2 SAFETY

We all know those highly polished slippery soles that put you in danger even in your own living room.

**STILETTISSIMO SHOES
HAVE ANTI-SLIPPERY
SOLES INSTEAD.**

3 STABILITY

Our manufacturers make sure that the shoe and the heel are perfectly balanced.

**THIS GIVES THE SHOE THE
STABILITY YOU NEED.**

4 HEEL HEIGHT

Have you ever seen anyone walking elegantly in 12 cm heels?

Neither have we.

THE HIGHEST HEEL HEIGHT WE OFFER IS 10 CENTIMETRES.

QUALITY

**THE ONLY ONE
THING THAT
REALLY
GUARANTEES
COMFORT IS
QUALITY**

QUALITY IS DOING
THE RIGHT THING,
EVEN WHEN NO
ONE IS LOOKING.

A BETTER WAY
TO CREATE
LUXURY

STILETTISSIMO

Luxury has issues such as waste, origin of materials, pollution and, cheap labour on heavily priced products.

We are working tirelessly to improve our product which includes finding even more sustainable materials and solutions.

**THE LEATHER
WE USE**

Leather is a side-product of meat, and to achieve zero waste it makes sense to use the hides for as long as we eat meat. Vegan leather is an option but it doesn't biodegrade as well as genuine leather which is why we stick to animal hides.

However, we are talking of living creatures which also means we have to pay attention to their origin, the way the animals have been raised etc.

1

We prefer leather made of European (EU) hides.

2

All the leather we use is produced in Italy, Germany or France.

3

We exclusively use hides from farmed animals whose meat is consumed.

4

This makes sure that European law is enforced; comprising labour, animal welfare, and ecology.

5

Whenever possible we use materials of overproduction.

HOW WE AVOID WASTE

STILETTISSIMO

1

Almost all of our shoes are made to order which means we only produce as many as our clients buy.

2

We only have a very limited stock to make sure we don't need to dispose a single pair.

3

Whenever possible we use materials of overproduction. This is first-class leather of which only a limited quantity is left.

This is perfect for our limited-edition models.

The shoe is a low-cut, possibly loafer-style shoe with a strap across the foot. The bag has the brand name 'TILETT' and the phrase 'DESIGN YO' printed on it. The overall aesthetic is minimalist and elegant.

TILETT
DESIGN YO

1

Stilettissimo's shoe boxes are produced and printed in Italy of European paper

2

The beautiful shoe bags are made of 100% cotton and sewn in Italy.

3

We don't use plastic.
