

THE MODERN 20S

FALL WINTER 2024/25

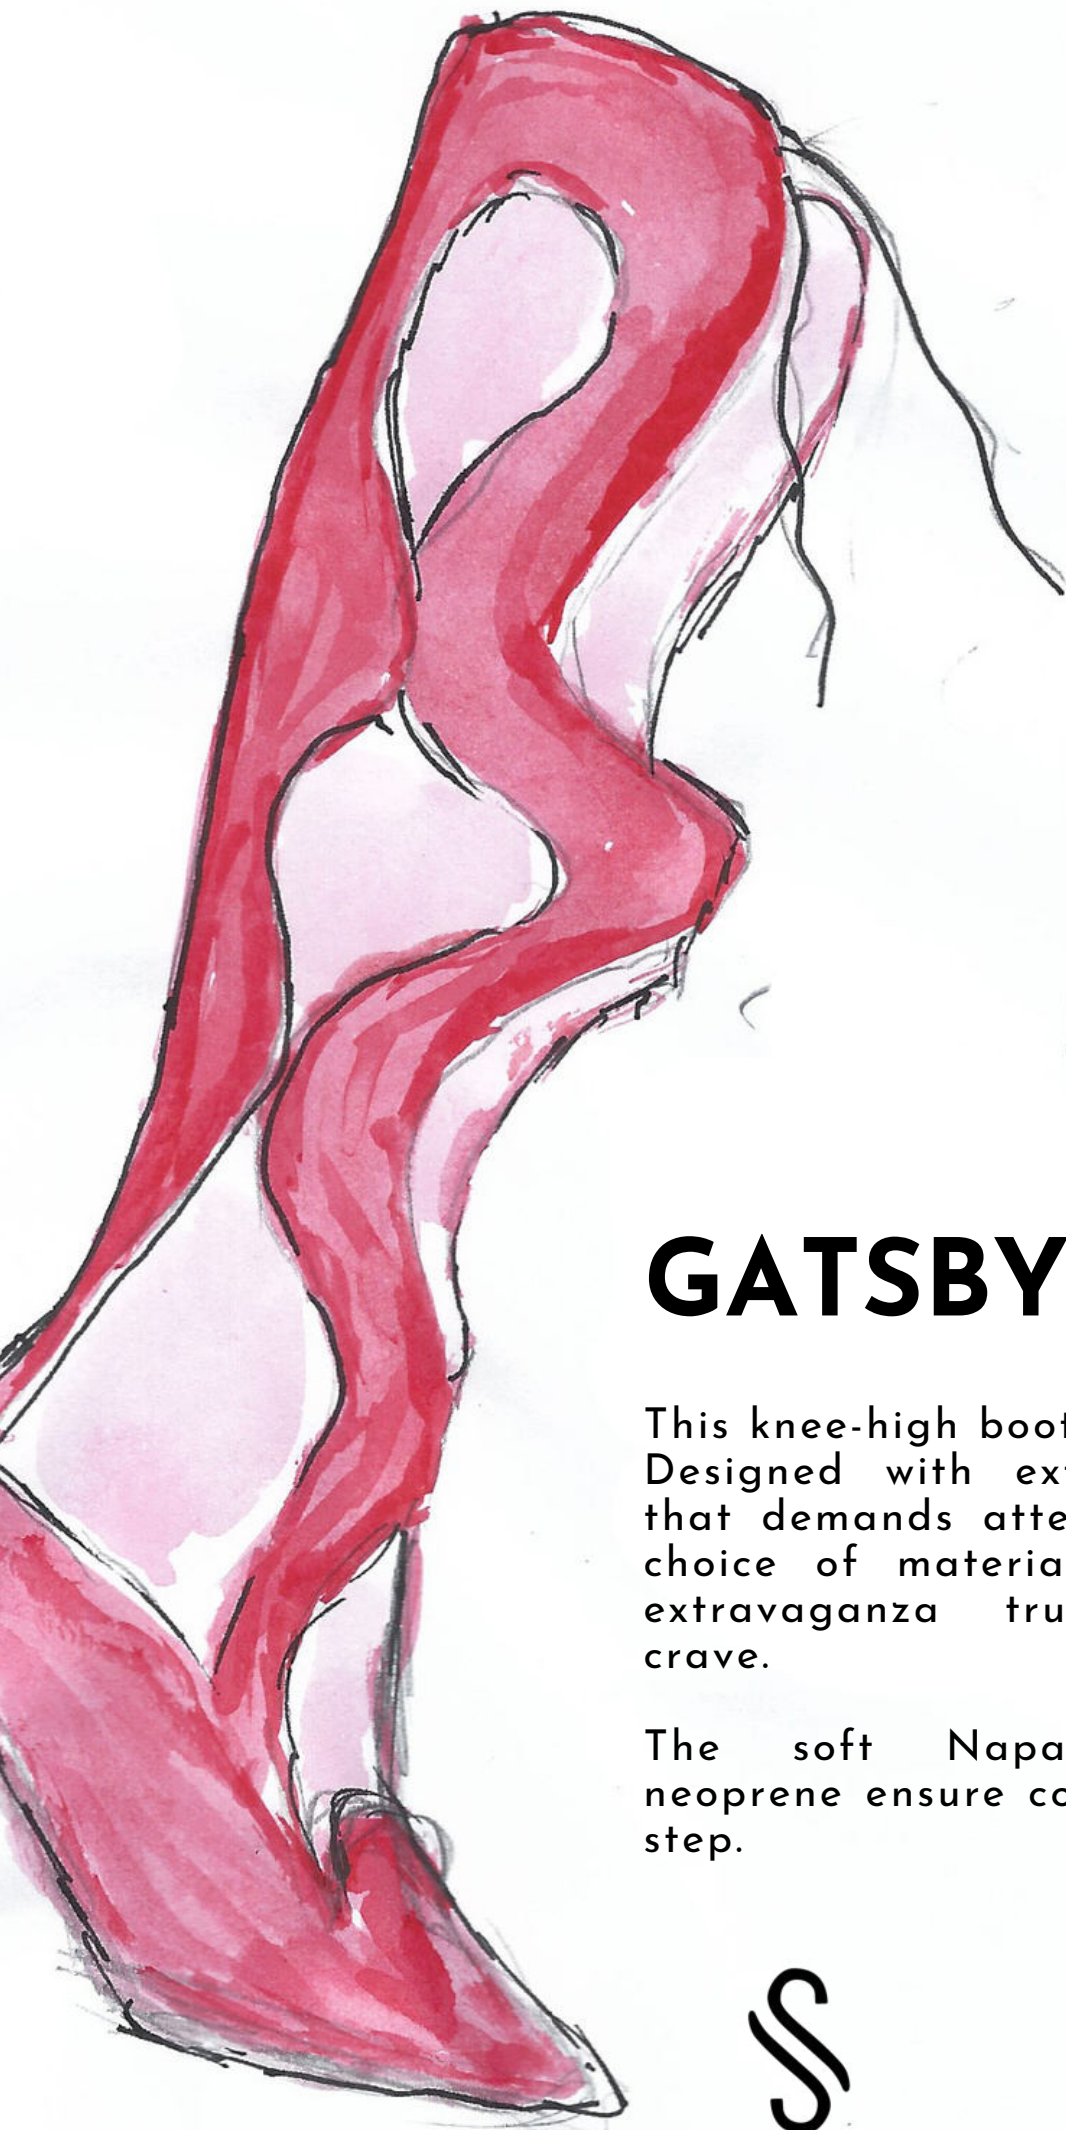

THE GLAMOUR OF THE 20S RE-IMAGINED

THIS SKETCHBOOK OFFERS
A FIRST GLIMPSE

Inspired by the glamour of the roaring 20s, and F. Scott Fitzgerald's novel "The Great Gatsby", we have reimagined this glorious style, infusing it with a modern twist. In all their glamour, these models are suitable for modern life and will take you everywhere in style and complete comfort.

Each pair tells a story of opulence, individuality, and craftsmanship, capturing the essence of an unforgettable era and embodying the spirit of today's woman - confident, dynamic, and unapologetically stylish. Much like a cherished novel, our shoes become a chapter in the tale of your own stylish journey.
